★
Reveling in cookies after the music concert is a favorite Christmastime tradition at PUC Elementary. We count on parents to supply the cookies--please bring a plate of delicious treats and set them on the refreshment table in the Paulin Hall lobby. Did you know . . .

Cookies appear to have their origins in 7th century AD Persia. One of the most popular early cookies, which travelled especially well and became known on every continent by similar names, was the jumble, a relatively hard cookie made largely from nuts, sweetener, and water. Among the popular early American cookies were the macaroon, gingerbread cookies, and of course jumbles of various types.*

. . . PUCE Students will be happy to eat whatever kind of cookie you choose to bring!

Correction: Christy Otterbeck is coordinating the refreshment table after the Christmas concert, not Kristy Johnson. If you are able to lend a hand in setting up, please come to Paulin Hall at 6:30 p.m. Christy will be happy for the help!

★ The hamsters have such tiny legs it is taking them longer to run to PUC Elementary than originally planned. Students that won a hamster for selling 15+ items in the fall fundraiser can look forward to receiving their rodent at the rewards assembly to be held in January.
