# PUCE Weekly News

**DO NOT COME TO SCHOOL this Monday. There will not be anyone here!** Our teachers will be students for a day at an in service training organized by the Northern California Conference Office of Education.

The Parent Club is meeting tomorrow, February 6, at 8:00 a.m. in the Teacher's Lounge.

**WALL-E** is showing Saturday night, February 7, in the PUC Church Fireside Room at 6:30 p.m. and 8:30 p.m. The film is sponsored by Pacific Union College and no admission will be charged. PUC Elementary and PUC Prep will be selling refreshments--including fresh corn dogs, ice cream, popcorn and cupcakes! The proceeds will go to help the Halversen family with expenses related to Jonny's illness. *YES! This is also an opportunity to lend a hand by staffing the refreshment table. Call the office to volunteer.*

We're getting closer! PUCE students have now collected enough money to save **106** children from hunger through Project Plumpy Nut. Our goal is to save 151 children. **This Tuesday students will have the opportunity to make a Plumpy Nut Button during lunchtime. The cost is \$3.00 per button.**

Please stop by to check the Lost-and-Found collection. It has grown frighteningly large.

**Parent's Night Out!** Get your calendars out and start making some plans. Saturday evening, February 21, from 6:30 – 10:30 pm. is your night out. A pajama party in the Fireside Room will be filled with games, treats and a movie. \$10 per child. More details and permission slips will be sent home next week.

PUC Elementary is hosting a class for students, ages 11 and up, who are interested in **Babysitter Training**. The course is taught by the American Red Cross and will take place at the school on Sunday, March 8, from 10 a.m. to 4 p.m. Students will receive a certificate upon completion. The cost is \$55. Space is limited, so please call the office to sign up. Payment is due by Friday, March 6.

If you got a new camera for Christmas and are wondering what to do with your "old" digital camera, PUC Elementary could really put it to good use. Or maybe you have a camcorder that you would donate to the cause of education. (Camcorders must have the cables to connect to a computer in order to be useful to us.) If your camera is in good working order, just drop it by the school office or call the school (965-2459) and ask for Linda Hansel to arrange for pick-up. If you wish to make this a tax-deductible donation, please let us know the value of the camera at the time of donation, and we will get you a receipt.

Next week's lunch menu is Week 2: Pizza, Macaroni, Asian Entrée and Vegeburgers

🌟 Look through your parent's old school pictures. Are the girls wearing dresses or pants? What kind of socks do they have on? See how often boys wore plaid, button down shirts. What are their shoes like?
