

Celebrating 100 Years! 1909-2009

PUCE Weekly News

January 8, 2009

YES, the hamsters are here and will be distributed tomorrow at a Fundraiser Award Assembly to be held at 11:20 a.m. in the gym.

Funds from the fundraiser have already been spent! The Parent Club helped to purchase a microwave oven, teacher computers, student desks, radio frequency feedback devices, a projecting camera and microscopes. Remember this when you are munching down cookies made with our frozen dough. Remember it again when the Parent Club sells **See's Candy** just before Easter. ☺

The next Parent Club meeting is Wednesday morning, January 14, at 8:00 a.m. in the teacher's lounge. All parents are invited and encouraged to attend. Help us make plans!

Watch for news later this month about [Summhw#Sops | #Qxw](#)—a meaningful project spearheaded by a team of seventh-grade students.

Parent Participation logs are available on RenWeb under the Newsletter and Downloads tab. You may also skip the paper step and log your hours directly into RenWeb by clicking the Parent Service Hours tab. When you get to the cell asking for verification, add the name of the PUCE staff member that would be able to vouch for your service.

School Directories are being assembled this week and will be handed out as soon as they come back from being trimmed. One directory per family will be sent home with the oldest sibling.

Next week's lunch menu will be Week 2: Pita Pizza, Macaroni, Asian Entrée and Vegeburgers.
