

PUCE Weekly News

May 14, 2009

Why is there a beach scene adorning this newsletter? Skip down to the announcement in the funky font and make your beach plans now.

Thanks to all of the hard work by the parents of PUC Elementary, the Soapbox Derby raised \$16,000. The Parent Club is considering how best to allocate this profit.

Due to a change in Waterworld's schedule, the date for the all-school trip to the park has been changed to **Friday, June 5**. The price per person is \$20. We need parent drivers to join us—thank you for volunteering. If circumstances prevent any students from attending Waterworld, there will be supervision here at school. If any student would like to go but have financial constraints, please talk with Dr. Dick.

The Gesell Developmental Observation is being offered to all incoming kindergarten students on Tuesday and Wednesday, May 19 and 20. This assessment is a standard procedure for direct observation of a child's growth and development. If you know of a potential kindergarten student encourage their parent to call for more information. Testing is free of charge to registered students.

The last day of school is Friday, June 5. Hot lunch service will continue through Thursday, June 4. To facilitate account balance clean-up, **eighth-grade students** should plan on bringing sack lunches or paying for hot lunch in cash the last week of school.

Registration for the 2009-2010 school year is currently open. Stop by the office to check over paperwork and pay the registration fee. Receive a \$40 discount off the \$225 fee if paid before May 31.

Next Year News: Please save Saturday, September 12, on your calendar for a **PUC Elementary Day at the Beach**. This Day at the Beach will be in place of the school campout that has been done in years past. The day will include a program, a meal and lots of beach fun. Families that like to camp may still wish to reserve a site at Bodega Dunes that weekend and join the larger group on Saturday. (If there is a parent that is interested in organizing a full weekend campout, talk with Dr. Dick before the end of May.)

Upcoming Events:

Monday, May 25, NO SCHOOL in honor of Memorial Day
