

Celebrating 100 Years! 1909-2009

PUCE Weekly News

October 16, 2008

Harvest Party tomorrow, October 17, from 12:00 – 4:00 p.m. in our gymnasium. Last minute permission slips and fees will be accepted at the door. There will be many fun games included in the fee, but a cake-walk and a pumpkin walk will cost an additional \$1 each to play. Prices for food are as follows: nachos \$3, drinks \$1 and caramel apples \$3. Parents may pay for and bring younger siblings if they stay at the party with them. Additional homemade pies (\$10) and beautiful gourds you can't find locally (prices will range) will be for sale when parents come by for pick up.

There is a **Parent Club Meeting** tomorrow morning at 8:00 a.m. in the teachers' lounge. There are several items to discuss and decisions to make. See you there!

TRAFFIC SAFETY: If you are parking and leaving your vehicle, please park adjacent to the hedge. This will leave room for pickups next to the curb—the safest place. ☺

Our first musical performance is Saturday, November 8, at the 10 a.m. service at the Pacific Union College Church. The 6-8th grade band students, 3-4th grade choir students and K-2 choir students will be performing. (The 5th grade beginning band will wait until Christmas for their debut.) Thank you for planning some time in your morning to bring your student to this recital.

Please contact the office if you have any trouble getting onto the RenWeb website. Some families report that they can only connect with RenWeb when they check the "Dial up" instead of the "High Speed Internet Access" button on the sign in page.

The Angwin Volunteer Fire Department has invited the California Highway Patrol to conduct a combination safety seat belt and child passenger safety presentation on Sunday, October 19, 2008, from 9 AM to 1 PM, in the Dental Office parking lot beside the market. Car seats will be provided and installed for free. Come out and meet your local fire department, take photographs of the apparatus, and receive safety brochures.

Needed: volunteers to help with a phone-a-thon we would like to do to gather alumni addresses. We are creating a data base of previous PUC Elementary students. The phone-a-thon would involve time at the school in the evening during the next two weeks and is an opportunity for parents that cannot volunteer time during the day. Additionally, please phone the office with any current address information on elementary alumni that you are willing to share.
